## Who are the Masons?

Masons belong to the oldest and largest fraternal organization in the world. Today there are two million Masons in North America. Masons represent virtually every occupation and profession, yet within the fraternity all meet as equals. Masons come from all diverse political ideologies, yet meet as friends. Masons come from varied religious beliefs and creeds, yet all believe in one God. Many North American patriots were Masons. Thirteen signers of the Constitution and 14 Presidents including George Washington were Masons.

One of the Fascinating aspects of Masonry is how so many men from so many different walks of life, can meet together in peace, always conducting their affairs in harmony and friendship and calling each other brother.

It's singular purpose is to make good men better, better husbands, better fathers, and better citizens.

Masonry is all about helping people.

North American Masons contribute two million dollars per day to charitable causes. this philanthropy represents an unparalleled example of the humanitarian commitment of this great and honorable fraternity.

Masonry is always looking for men of good character who believe in a supreme being. To become a Mason one must petition a particular lodge. You can begin by contacting a Masonic Lodge or speaking to a Mason and asking for a petition.

A brief history of the Fulton-Montgomery Masonic Charities service to your communities

Serving our communities has always been a goal of this district. Just in the last four years Fulton-Montgomery District has held several fund-raisers for local people in need. We raised the funds to purchase a wheelchair van for a young mother with a severely handicapped child. We held many NYS Child Identification sessions with local schools and at the Fonda Fair. We supported 17 graduating high school Seniors with cash awards over the last 2 years. We have given dozens of food baskets at the holidays to families in need. We have helped financially, several families in need and supported our troops overseas with phone cards for their use. We have contributed to many other local charities as well as the St. Jude telethon for children. Our fraternity held several fund-raisers last year to benefit a young boy who was severely burned. Masons care about their communities and are involved in all aspects of living within them. With your support, we can make a difference in the local communities to improve the quality of life.
